

Dubbo 2-Day Intensive Grant Writing Masterclass

Are you an experienced grant writer looking to elevate your grant writing to the next level?

This masterclass will give you the edge by teaching you to write strategically, source and analyse data, think like an assessor, and understand what assessors really want.

You'll walk away with the skills and the confidence to apply for those infrastructure and multi-million dollar grants, create your own business case and logic models, build your own detailed budgets and financial documents.

What's Included?

- 2-days of training from experts including, grantwriters, chartered accountant, data analyst and infrastructure specialist
- Guaranteed small group - maximum of 20
- Time to develop your own project plans and applications with guidance
- Writing practice
- Individual feedback
- Take home resources
- Morning tea, lunch, afternoon tea
